

Machine Size Chart

- This chart is for your reference only, please “measure” your machine to ensure proper fit
- The size chart refers to fitting your machine(without the hardcase) through the front opening. (as opposed to fitting through the top opening).
- Tutto Medium Machine On Wheels can be carried on the airplane.
- The large Machine On Wheels with the extra wide opening is easier to load. It is ideal for people who travel by car or attend classes.
- Measure your machine and match the dimensions to our Machine On Wheels sizes listed below:
